PRESENT

# SERVICE ACADEMY DAY

Saturday, April 30, 2011

**Bossier Parish Community College**

The Performing Arts Theater

Building C

6220 East Texas Street

Bossier City, LA 71111

Thank you for your interest in our 2011 Academy Day in Shreveport. We would both like to applaud you on your decision to consider one of the five U. S. Service Academies. This decision certainly indicates your commitment to obtain the best education possible. The academic, physical, and character requirements for admission are stringent and the process is selective. Because the competition for the available positions is stiff, we encourage you to apply through all of your available channels. Additionally, it is wise to apply to all academies to which you have serious interest. The two of us would like to wish you luck in this process and once again thank you for your interest in serving our great nation.

David Vitter  
U.S. Senator

John Fleming, M.D.
