Dear Friend,

As a physician I understand the importance of Medicare and I know some of the challenges and questions that Medicare recipients face. My website has a number of links and answers to some common questions about dealing with Medicare and other federal agencies. But, if you're having an issue with a benefits claim, and you've already contacted Medicare at 1-800-Medicare, one of my trained staff may be able to help. Please fill out the privacy authorization form, **link located below**, and my office will contact you.
