Dear Friend,

If you've served our nation's military, thank you! I'm grateful for your service. If you're having a problem with benefits from the Department of Veterans Affairs, my website has a number of links and answers to some common questions about dealing with the VA and other federal agencies. But, if you're still having problems, even after you've contacted the department at 1-800-827-1000, one of my trained staff may be able to help. Please fill out the privacy authorization form, **link located below**, and my office will contact you.
